How CRP money moves, 2025–27

From Commerce to the people served: who passes funds on, and who delivers services

Previous grants Commerce still monitors, 2023–25

Community revolving loan programs

Homeownership and housing

7 partners · 203 housing-related loans · $21.5M reported

CRP helps families buy and keep homes through down payment assistance, debt reduction and connected financial coaching. It also fills early financing gaps for land acquisition and housing development.

PARTNERS

- Homesight
- Urban League of Metropolitan Seattle
- Byrd Barr Place
- African American Leadership Forum
- Opportunities Industrialization Center
- Centro Cultural Mexicano
- Kitsap Community Resources

Business lending

10 partners · 281 loans · $11.1M reported

CRP expanded community lending capacity, including through by-and-for lenders, to help businesses access financing when traditional bank loans are difficult to obtain. Partners financed equipment, operating needs and business purchases, with revolving funds designed to serve future borrowers.

PARTNERS

- City of Tacoma
- Denkyem SPC
- Rainier Valley Community Development Fund
- Northwest Access Fund
- Chehalis Tribal Loan Fund
- Fourth Plain Forward
- WOW Tri-Cities
- Foundation for Homeless & Poverty Mgmt.
- Pacific Northwest Tribal Lending
- Kitsap Community Resources

Ongoing accountability

Commerce continues monitoring earlier revolving investments through loan-level reporting and follow-up on repayment and re-lending. Annual reporting is being standardized; coverage remains incomplete.

Notes: Program-area amounts match the CRP Legislative Report (Nov. 1, 2026). Homeownership includes asset building; the 18 listed partners are on page 2. The violence prevention total includes Benton-Franklin's direct contracts. The small business technical assistance count is 27 region-based partners plus 2 statewide partners (page 3).
